

**Aerospace University
FY17 Instructor-Led Course Schedule**

The Aerospace University is pleased to offer the following instructor-led courses at our locations throughout the United States. Primarily courses are held in El Segundo, CA, Chantilly, VA, and Colorado Springs, CO and are open to Aerospace employees and government customers. Aerospace employees can register using the TLC (Talent and Learning Center) system. Government customers must first apply for a TLC account, and then can register for courses after receiving their online credentials.
